D.T.C. 1-2

Identify any states where Starlink has been designated as an ETC. For each, state whether the designation is limited, and if so how, and include any specific requirements imposed on or volunteered by the ETC. Provide complete and detailed documentation describing any such limitations or requirements.

Response to D.T.C. 1-2

Starlink Services has not yet received an ETC designation.

Supplemental Response to D.T.C. 1-2

As of April 30, 2021, the following states have designated Starlink as an ETC:

| | |
|----------------|---|
| Colorado | Granted 04/30/21 |
| Idaho | Granted 04/16/21 |
| Kentucky | Granted 04/08/21 |
| Maryland | Granted 03/31/21 |
| New Jersey | Granted 04/27/21 |
| South Carolina | Voted to grant 3/24/21, final order pending |
| Wyoming | Voted to grant 4/29/21, final order pending |

The states that have issued final orders and imposed any significant conditions other than periodic reporting or other standard requirements are:

New Jersey — required Starlink, prior to beginning service, to provide a link to its rates, terms and conditions, and to submit a letter to the Staff and the Rate Counsel setting forth specified information on the terms and conditions of service for Lifeline customers. See Docket No. TO21010003, [Order 4-27-21-4B](#), dated 4/27/21.

Colorado — required reports on deployment every six months; a report of the status of its RDOF approval within 10 days after notification from the FCC; and reports if deployment milestones are not met. See Proceeding No. 21A-0023T, [Decision No. C21-0262](#), dated 4/30/21.

Second Supplemental Response to D.T.C. 1-2

As of May 7, 2021, one additional state, Vermont, has designated Starlink as an ETC. Other than periodic reporting or other standard requirements, the Vermont Public Utilities Commission has required Starlink to file with the Commission and Department of Public Service any FCC deployment milestone reports; file a marketing plan with specified information within 60 days; file an annual certification of its outreach efforts; and refrain from seeking any support from the Vermont Universal Service Fund unless it applies for additional authorization. See Case

No. 21-0018-PET, [Order Granting Eligible Telecommunications Carrier Designation](#), dated May 3, 2021.

Third Supplemental Response to D.T.C. 1-2

In addition to the approvals described above, the following states have designated Starlink as an ETC as of May 20, 2021:

| | |
|------------|--|
| Louisiana | Voted to grant 05/18/21, final order pending |
| Maine | Granted 05/11/21 |
| Minnesota | Voted to grant 05/13/21, final order pending |
| Nevada | Granted 05/13/21 |
| Utah | Granted 05/11/21 |
| Washington | Granted 05/20/21 |

Of the states listed above that have issued final orders, those that imposed any significant conditions other than periodic reporting or other standard requirements are:

Maine: Starlink is required to file with the Maine PUC and Maine Public Advocate copies of all reports it files with the FCC associated with its RDOF funding in Maine. See Docket No. 2021-00005, [Order](#) dated May 11, 2021.

Nevada: Starlink will submit, at specified points prior to providing service, an informational filing regarding the rates, terms, and conditions of its Lifeline program, an advertising plan, and a regulatory contact and written procedure for consumer complaint reporting; submit annual reports regarding its build-out progress; annually update its informational filing; and submit copies of all reports filed with the Universal Service Administration Company regarding progress toward construction benchmarks if that information is not in an annual report. See Docket No: 21-2624-01, [Order](#) issued May 13, 2021.

Utah: Starlink will develop a state-specific fact sheet on its services and make it available to new and existing customers; and it will offer stand-alone basic voice service at monthly rates equal to or less than 150% and 200% of the Utah Affordable Base Rates for residential and business lines, respectively. See Docket No. 21-2624-01, [Order Approving Stipulation and Settlement Agreement](#), issued May 11, 2021.
